WHAT IS OUR REGULAR SAVINGS PLAN?

**A FLEXIBLE OFFSHORE REGULAR SAVINGS PLAN
COMBINING CHOICE WITH QUALITY GLOBAL
FUNDS TO HELP INTERNATIONAL INVESTORS
BUILD WEALTH FOR THE FUTURE.**

HOW CAN IT HELP YOU?

Our savings plan is a quality product for those who wish to save for their future regularly but flexibly – perhaps to supplement savings outside of a pension or other tax-advantaged vehicles. It provides the potential to build up cash for substantial future expenditures, such as paying education fees or supplementing income in retirement.

GENERAL SAVINGS

Saving money may not seem important right now, but accumulating wealth for the future is always a good idea. Whether the aim is to save for a more secure future or for a specific purpose, our savings plan can help establish a disciplined savings routine to help achieve your financial goals whatever they may be.

SAVING FOR YOUR CHILDREN'S EDUCATION

An exceptional education is one of the greatest opportunities you can give your child, and a valuable investment for their future.

REALISE YOUR DREAMS

From writing a novel to walking the Inca Trail, or from buying a sports car to meeting the costs of your child's wedding, everyone's dreams are personal to them – and a personal savings plan is the best way to turn those dreams into reality.

BUILD A LEGACY

Whether you dream of a second home for your retirement or helping your children take their first step on the property ladder, saving towards a property can benefit your loved ones for many generations. Building and passing on our wealth efficiently to the next generation is something we all aspire to.

RETIREMENT PLANNING

After dedicating so much to your career, it's important to have a retirement that works for you. Whether you prefer to explore the world or enjoy the comforts of home, a tailored savings plan gives you the freedom to choose.

**WHY CHOOSE
AN RL360

** Please remember that, as a plan owner, you will be responsible for any tax liability that may arise as a result of your country of residence or citizenship.

QUESTIONS TO CONSIDER ABOUT SAVING

HOW LONG SHOULD I SAVE FOR?

Choose a saving term that reflects your investment horizon and financial goals. However, if your investment horizon is less than 5 years – or you are looking for a product that allows frequent short-term access to money (similar to a bank account) – then a regular savings plan from RL360 won't fit your needs as all our plans are tailored towards long-term commitment.

HOW MUCH SHOULD I SAVE EACH MONTH?

The amount you save should come from your disposable income to ensure it is affordable and sustainable throughout your entire savings term. You'll get the most from your plan if you maintain payments throughout the full term.

WHEN IS THE BEST TIME TO START SAVING?

Whatever you're saving for, the sooner you start the better, as you will reach your desired goal sooner. The longer you save for, the lower the monthly payments will be to achieve your financial objective.

WHAT HAPPENS IF MY CIRCUMSTANCES CHANGE?

When starting a savings plan it's important not to stretch yourself financially. However, sometimes the unexpected happens, so it's worthwhile choosing a plan with a degree of flexibility. Our saving plans allow short-term payment breaks or, in some cases, a reduction in the amount paid. However, these options should only be considered temporary solutions – otherwise you risk not achieving your savings goal.

IS MY MONEY SAFE WITH RL360?

Your investment with RL360 is protected by law under the Policyholder Compensation Scheme. In the unlikely event that a life company cannot meet its liabilities, subject to the terms of the scheme, plan owners are eligible to receive up to 90% of the insurer's liability as it relates to their plan, wherever they may reside.

At RL360 we understand that our customers live exceptionally busy and challenging lives. They have expectations and our goal is to help them realise a happy and financially secure future. Customers invest with us for years, even decades and we aim to support them on every step of the journey – we are committed to putting people first.
