Important Notes

This information is designed for Financial Advisers only. If this information is presented to a policyholder it should be done so in conjunction with appropriate financial advice.

The Scottish Provident International Broker Funds are only available to holders of policies issued by Scottish Provident International Life Assurance Limited (SPILA) which is now known as RL360 Insurance Company Limited (RL360°), where the investment choices were limited to the SPILA internal fund range. RL360° take no responsibility for the day-to-day management of the underlying fund or any investments linked to the broker fund.

It is important to know that unit prices reflect the value of the underlying assets of the funds and so can go down as well as up. Past performance is not indicative of future performance. Where a fund invests in overseas securities, the unit prices may also rise and fall purely on account of exchange rate fluctuations. These figures have been prepared for information purposes only and are not an invitation to purchase an investment on the basis of information given, nor do they constitute investment advice. RL360 Insurance Company Limited is not responsible for, and will not compensate Policyholders in relation to, the performance of their underlying funds.

Owners of policies issued by RL360 Insurance Company Limited receive the protection of the Isle of Man Compensation of Policyholders protection scheme, which covers an amount equal to 90% (subject to the provisions of the scheme) of RL360°'s liability where it is unable to meet its financial obligations. RL360° reserves the right to adjust the returns to cater for any levy or charge made on it under the regulations or similar legislation.
