

# The Beneficiary Trust

This form should be completed if you are the owner(s) of a RL360° policy and want the benefits to go to one or more adults and/or children as beneficiaries in the event of your death.

This form invalidates all previous beneficiary designations therefore it is important that it includes all details of all the persons whom you wish to benefit.

You cannot use this form if you wish to create a gift for UK Inheritance Tax purposes.

If you cannot enter the details asked for in the space available, please make a note on the form and attach a page containing those details.

This trust comes into effect upon the death of the Relevant Person. The policy benefits are then payable to the trustees for the benefit of the beneficiaries in accordance with the provisions in Part C of this form. **At such time as this trust comes into effect it may be necessary for RL360° to obtain the appropriate identification documentation in respect of the trustees and any beneficiary to whom benefits are to be paid.**

The policyholder(s) and the trustees must sign this form at Part D.

Under Tax Regulations and intergovernmental agreements entered into by the Isle of Man in relation to the automatic exchange of information for tax matters (collectively "AEOI"), RL360° is required to collect information about each Settlor, Trustee and Named Beneficiaries of trusts. (Where any of the Named Beneficiaries are minors, this will be required once they reach 18 years old.)

RL360° will provide the information directly to the Isle of Man Income Tax Division (IOMITD) who may then provide the same information to the relevant jurisdiction. RL360° does not send any information direct to other jurisdictions.

U.S. Specified Person means a U.S. citizen or tax resident individual, who either holds a U.S. Passport, a U.S. Green Card, has a U.S. Residential/correspondence address or who was born in the U.S. and has not yet renounced their U.S. citizenship. More information on U.S. FATCA can be found at [www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA](http://www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA).

### Inheritance laws and beneficiary designation

Some countries have laws governing the distribution of a person's estate on their death. Although the beneficiary trust technically removes the benefits of the policy from your estate, this could be challenged. The legal basis for such a challenge would be that the rights of heirs may be placed above individual rights to pass on assets on trust to other parties. Authorities responsible for judgements in such cases may use discretion and uphold your wishes (as expressed by using this form). However, to avoid any doubt, you should seek advice in choosing an appropriate course of action.

### Changes to beneficiaries

Completing a subsequent form can change those named as beneficiaries in this form.

### The Relevant Person

The policyholder, or where there are joint policyholders, the last surviving policyholder. Where there are joint policyholders, the terms of this document will have no effect unless both owners are deceased.

### Relevant Event

The death of the Relevant Person(s).

### Trustees

Trustees must be appointed to act after your death and give instructions concerning the policy or any benefits arising from it. RL360 Insurance Company Limited ("the Company") cannot be responsible for any actions or omissions by those trustees.

### Trust Fund

The policy benefits of the policy detailed in Part A of this trust deed.

### Interpretation

The Company will carry out the instructions given by you as policyholder(s). It cannot be held responsible for any misunderstanding made when the form was completed or any changes in circumstances affecting who should benefit from the policy. If any challenges are made to the validity of payments made under your instructions in this form, they must be addressed to the recipients of any benefits.

### Assignments

If you assign the policy specified in this form as security or collateral to a financial body (such as a bank), that assignment will take priority over beneficiaries' claim to any benefits designated here.

### Benefits where no beneficiary survives

If no beneficiaries are alive at such time as any benefits become payable, all benefits will pass to the estate of the policyholder or where there are joint policyholders, to the estate of the last surviving policyholder.
