This reflects the Isle of Man's commitment to maintain the highest possible standards of business practice and to counter money laundering and the financing of terrorism.

RL360 has adopted a risk-based approach to meet these regulations, categorising our product and countries that we will accept business from into Standard or Higher risk. We have categorised countries according to their level of compliance with international regulatory standards.

Full details on the source of funds procedures can be obtained from your financial adviser or can be downloaded from [www.rl360.com/sourceoffunds.pdf](http://www.rl360.com/sourceoffunds.pdf).

## **CREDIT CARD PRE-AUTHORISATION**

---

Pre-authorisation is the process of pre-approving payments with the card provider. We carry out this process to make sure that the card's details are correct and working properly prior to collecting the payment.

This process will create a pre-authorisation on the credit card for one unit of the currency payments are made in i.e. GBP1.00/USD1.00/EUR1.00. This amount may not appear on the credit card statement, but will affect the card balance or spending limit until the card provider removes it.

If the cardholder has opted to receive text messages, they may get a confirmation text for this transaction.
