

# Investment transfer or sale

### Who is this form for?

This form is for applicants or policyholders of single premium products who wish to transfer existing investments into their policy or sell for cash which can then be used to fund their policy.

### How does an investment transfer work?

Your existing investments can be transferred into your policy directly, subject to them being acceptable to us. To do this we require your permission via the Power of Attorney (incorporated into this form) to transfer the investments on your behalf. When we possess all of the necessary documentation we will transfer each investment as requested. **You should note that the process can take a substantial length of time, in some cases several months or longer to complete.** Whilst we will initiate your transfer(s) on receipt of this instruction, we are reliant on third parties to complete on the request. We can only transfer investments where this form and your application (where applicable) are correctly completed.

### How does an investment sale work?

We can sell your existing investments, such as stocks and shares, and use the cash proceeds to fund your policy. To do this we require your permission via the Power of Attorney (incorporated into this form) to sell the investments on your behalf. When we possess all of the necessary documentation we will sell each investment as requested. **Again, the process can take a significant amount of time to complete, several months or longer in some cases.** Whilst we will initiate your sale on receipt of this instruction, we are reliant on third parties to complete on the request.

### Completing this form

By completing this form you will be providing and authorising RL360°, through a Power of Attorney, to transfer or sell the investments listed in Section 2 owned by you. Please complete in BLOCK capitals throughout.

We can only accept original written instructions that have been signed by all of the registered owner(s) of the investments to be transferred or sold. The signing must be witnessed by an independent witness (a spouse is not considered an independent witness).

Where you hold investments with numerous different investment managers you should complete one form per manager. For instance, if you wish to transfer investments from Artemis, Fidelity and Schroder, you should complete one form for each.

As this form is a legal document any alterations, corrections and/or additions must be initialled by the owner(s) of the investments to be transferred or sold. Please do not use correction fluid as this will invalidate the form.

Where appropriate, any reference to the singular includes the plural and reference to the masculine includes the feminine.

Please make sure that you read the **important notes section**.

### When you have completed this form

Please make sure that all certificates and/or other documents (a recent statement of holdings) of title for the investments detailed are also included when returning this form. Wherever possible these should **not** be printouts of online statements as they rarely provide vital contact information. We cannot proceed without these.

Once complete please send it to:
