General

Where applicable, please ensure that the authorised signatory list(s) that we hold for this plan are up-to-date before submitting dealing instructions. Where authorised signatories have changed and we are unable to match those on this form with our records, this will delay switching.

Where the provider of an underlying fund for the RL360 MAP Fund or RL360 Cash Fund linked to your plan becomes insolvent, your plan will incur the loss.

We are not authorised to provide you with investment advice, and we would always recommend that you consult a professional before making investment decisions.
