XX July 2019

Dear <Salutation>

CHANGES TO THE PARVEST ENERGY INNOVATORS FUND AND IMPACT ON YOUR RL360 PLAN - <PRODUCT> <PLAN NUMBER>

BNP Paribas Asset Management Limited (“BNP”) has advised that it is making some changes to its Parvest Energy Innovators fund that your plan invests in so we wanted to make you aware of the changes and explain your options for switching to a different fund if you prefer.

Change of fund name

The fund name will be amended from ‘Parvest Energy Innovators’ to ‘BNP Paribas Funds Energy Transition’

Change of investment policy

The investment policy will be updated according to the change of name of the fund from Energy Innovators to Energy Transition.

The change will trigger an extension of the types of assets the fund invests in. The investment manager will consider extensively the energy connected sectors such as transitional energy, energy efficiency, sustainable transport, green building and infrastructure in addition to the renewable and alternative energy sources.

Please refer to the table overleaf for a comparison of the changes.

Your options

If you are happy with these changes, you don't need to do anything. However, if you would prefer to switch to a different fund available to your plan, it's free of charge, and very easy to do. You may want to discuss the options with your financial adviser before deciding.
