Reason for liquidation There have been significant shareholder redemptions in the Sub-Fund and the assets under management have reduced to US \$14.2 million as of 31 March 2020. The Board believes the Sub-Fund has limited prospects for growth, therefore has decided that it would be in the best interest of the shareholders to liquidate the Sub-Fund.

Prior to the liquidation date, if the Sub-Fund assets reduce to a level where the Investment Manager can no longer pursue the investment objective and policy, all assets in the Sub-Fund may be moved to cash and the annual management charge will be waived.

In the event the Sub-Fund assets reduce to such a level the Board may decide to immediately liquidate the Sub-Fund before the liquidation date of 27 July 2020. If this happens, Shareholders will be notified on the News and Fund Announcements page at jpmorganassetmanagement.lu

You may want to review these options with your tax adviser and your financial adviser. All options could have tax consequences.

Regardless of which option you choose, you will not be charged any redemption or switch fees.

The KIID, prospectus and most recent financial reports are available at jpmorganassetmanagement.lu or from the registered office.

Your Sub-Fund will bear securities transaction costs only; all other costs associated with the liquidation will be paid by the management company. To help ensure an orderly and efficient liquidation process, your Sub-Fund may begin liquidating holdings in the period leading up to the liquidation date.
