THIS IS A NOTIFICATION THAT AFFECTS THE PLANS LISTED IN THIS LETTER. PLEASE PASS THIS TO THE INVESTMENT ADVISER IN YOUR COMPANY WHO MANAGES THE INVESTMENT CHOICES ON THESE PLANS, AS THEY MAY WISH TO TAKE SOME ACTION.

The plans advised by you and impacted by this notification are listed at the end of this letter. We have not written directly to the owners of the plans listed. As each plan owner has appointed your company in the capacity of investment adviser to manage the investment choices on their behalf, you should contact your clients as necessary to discuss the details of this notification and any recommended course of action.

Dear investment adviser

CHANGES TO THE FUND RANGE FOR LIFEPLAN

We regularly review the funds available to LifePlan to ensure that plan owners continue to have access to a high quality and diverse range of funds, to help them meet their investment goals. We have recently completed a review of some of our investment sectors in the range and are making a change.

The review process considers the performance and risk profile of funds within the range to determine whether they continue to provide the right outcomes for investors and remain appropriate for the product. As a result, we are intending to remove **one** of our existing funds from the range ("the Closing Fund"). This amendment to the range sits within the European Fixed Interest sector.

What does this mean?

Your clients are invested in the Closing Fund being removed from the range. We have selected an alternative fund (the "Receiving Fund") that holdings will be switched into automatically (including any regular payment allocation) between **28 and 30 November 2022**. Your clients can remain invested in the Closing Fund they hold until the date we switch them. The details of the Closing Fund and the Receiving Fund can be found in the table overleaf.

If you are happy with our choice of Receiving Fund then you do not need to do anything. However, if you would prefer to switch to a different fund, it's free of charge and very easy to do.

Switching funds is easy
