Dear <Salutation>

**CHANGES TO THE FUND RANGE FOR YOUR PLAN – PROTECTED LIFESTYLE - <Policy>**

We continually monitor the funds available to Protected Lifestyle to ensure plan owners continue to have access to a high quality and diverse range of funds, to help them meet their investment goals.

As part of our review process, we consider the performance and risk profile of funds within the range to determine whether they continue to provide the right outcomes for investors and remain appropriate for the product. As a result, we will be removing **one** fund (the “Closing Fund”), including currency variants, from our Global Fixed Interest sector.

**What does this mean?**

We are writing to you because you are invested in one or more of the currency variants of the Closing Fund that we are removing from the range. We have selected an alternative fund (“the Receiving Fund”) that holdings will be switched into automatically (including any regular payment allocation) on **14 December 2022**. You can remain invested in the Closing Fund you hold until the date we switch you. The details of the Closing Fund in each currency and the Receiving Fund can be found in the table overleaf.

If you are happy with our choice of Receiving Fund then you do not need to do anything. However, if you would prefer to switch to a different fund, it’s very easy to do. You may want to discuss the options with your financial adviser before deciding.

**Switching funds is easy**

Visit the fund centre for Protected Lifestyle at [www.rl360.com/fundcentres](http://www.rl360.com/fundcentres) to help you decide on a new fund, or funds. After that choose one of the following options:
